DAN - Accessing Your System

- 1. Open your internet browser
- **2.** Type www.danmonitoring.com in the address bar and hit GO or press Enter. You will be sent to the DAN home page below;

3. Click on "Login New" button found in the top right hand corner and you will be sent to the site with a screen as below;

4. Enter the "Group Name" provided, then enter the "User ID" provided in the respective windows.

5. Enter your "Password". Click the "Login" Icon. You will be directed to a new page with the screen below;

- **6.** Select the drop down arrow and depending on the system you have highlight the option that you wish to enter. If you have a single system, go to Step 7.
- 7. Hit the "Select" Icon and you will be directed to a new page with either of the screens below;

- 8. You have now logged on and may proceed to set up/use your system.
- **9.** For detailed instructions relating to the set up, operation and maintenance of your system, refer to the DAN website

http://www.danmonitoring.com/library/web-site-set-up-instructions

and view the respective PDF's relating to your model/application
